Non-responsive

Bern -- do we need to leave Dimock on the agenda or have events made that unnecessary?

Susan O'Keefe, Associate Director

Subject: OCE Weekly items

Hi Bern and Susan:

I'm about to send out a draft of the OCE Weekly agenda and wondered if you all had anything to add? I'll be asking people to send additional items by noon so you have some time if you can't get anything on this first draft.
